Description

SPARTHERM supplies modern, durable fireplace inserts featuring winning technology and design. Linear provides a clear framework without itself being dominant, on the basis that the fireplace insert should show off the fire to best effect, and not the other way round. Maximum functionality combined with stylish, modern elegance has always been our aim.

Main characteristics:

- door function: hinged;
- hinges on the right side;
- door height: 510 mm;
- edges of the glass are tinted;
- Pre-heated combustion air keeps windows clean;
- actuating lever for control of the combustion air. Cleverly designed and discreetly located for ease of use;
- body made of 3-4 mm thickness corrosion resistance steel;
- combustion chamber lining made from heat-resistant fire clay.;
- possibility to order fireplace with hinges on the left.

5 year warranty for the fireplace casing.
