

Horizontal coupling ARIA

**Product code:** W2ARI-HOR22  
**Category:** Ventilation equipment, ventilation systems > Ducts and ventilation materials

**PRICE : €17.67**

About the product

**Manufacturer:** Heatpex  
**Height, mm:** 92  
**Width, mm:** 216  
**Depth, mm:** 110  
**Item type:** jungtys  
**Warranty, year:** 60

Description

A connector used to connect two or more distribution boxes horizontally. Used when the 10 pipe slots available in a single distribution box are insufficient for air distribution as designed.

- Plugs into the oval socket of the distribution box in place of the 3x75 module
- Connecting a second distribution box horizontally increases the number of available connectors by 4.
